WHAT IS BIRDS AUSTRALIA?

Birds Australia is a non-profit organisation working for the enjoyment, study and conservation of Australia's birds.

The Western Australian members of Birds Australia are state-wide and are offered a variety of activities and services including conservation and research projects, excursions, camp-outs, bird surveys and social activities.

We also have a library, books for sale and information about birds.

To view our full range of bird guides and bird lists, visit our web site.

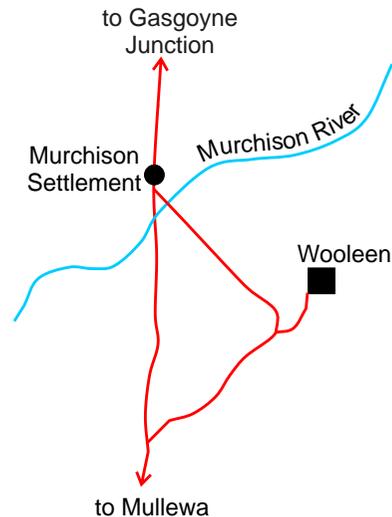

Please report any unlisted sightings to David Pollock at Wooleen Station or send to Birds Australia Western Australia.

A map of this station is available at the Wooleen homestead (accommodation, camping, guided tours and walks).
